

Let's Take A Sleigh Ride!
by Mark Weston

VERSE 1

With cold down to our toes we ride along,
as winter winds nip and blow.

We are on our way, singing as we go,
over fields of glistening snow.

VERSE 2

Two horses pull the sleigh a dapple and gray,
their bridle bells jingle away.

As we slide and glide and whisk along the way
on a happy December day.

VERSE 3

We're whooshing up and down the icy hills,
a wonderland of frozen delight.

Our hands and feet now numb from the bitter chill,
we'll warm by the fire tonight.

(Repeat Verse 1 and 2)

A Welsh Noel
by Dave and Jean Perry

VERSE 1

Now we hear the joyful bells a ringing.
Now we hear the festive winter song
lifting up our hearts like birds a winging,
filling all the world with joyful song.

CHORUS

Sing noel this happy season.
Come rejoice, let none be sad.
Sing noel, let all be merry.
On this day let all be glad.

VERSE 2

Ringin' in the year, new whiteness wearing;
hope is born again throughout the land.
Ringin' out peace, goodwill and caring.
Hear the winter bells ring clear and grand.

CHORUS

Now join we all in one accord,
and break the bread, and sheath the sword.
Let all people everything rejoice today cast out despair.

CHORUS (2 times)

Winter Fantasy

by Jill Gallina

Part 1

Snow flakes falling all over town,
slipping sliding everybody rushing 'round.

There's an icy chill in the air,
telling us that winter's really here.

Oh! I'm so glad that winter is here.
Grab your sled and let out a happy cheer
because it's snowing, blowing, all through the day.
Winter winds will surely blow all your cares away.

Part 2

Dashing through the snow, in a one horse open sleigh.
O'er the fields we go, laughing all the way.

Bells on bobtails ring, making spirits bright.
What fun it is to laugh and sing a sleighing song tonight.

Oh! Jingle bells, jingle bells, jingle all the way.
Oh, what fun it is to ride in a one horse open sleigh.
Jingle bells, jingle bells, jingle all the way.
Oh, what fun it is to ride in a one horse open sleigh.

Light a Candle by Andy Beck

Light a candle, light a candle,
as we celebrate the stories of our past.

Light a candle, light a candle,
as a symbol of traditions that will last.

For with the candle glow, we celebrate the season.
So all the world will know the special reason.

Light a candle (light a candle), light a candle (light a candle),
to illuminate a cold December night.

Light a candle (light a candle), light a candle (light a candle),
to reveal what we believe in candlelight.

For with the candle glow, we celebrate the season.
So all the world will know the special reason.

Light a candle (light a candle), light a candle (light a candle),
joining yours with mine will make the light increase.

Light a candle (light a candle), light a candle (light a candle),
and our candlelight will be a sign of peace.
