

# It's Time to Deck the Hall!

## Part 1:

This is December, just watch the snowflakes fall.

Now is the season, the best time of them all.

Gather round and sing with us the Yuletide carols we recall.

Come on, get ready; it's time to deck the hall!

## Part 2:

Deck the hall with boughs of holly, fa la la la la, la la la la.

Tis the season to be jolly, fa la la la la, la la la la.

Don we now our gay apparel, fa la la, la la la, la la la.

Troll the ancient Yuletide carol, fa la la la la, la la la la.

# December Nights, December Lights

## Verse 1:

December days are dark and cold and the snow is growing deep.  
The trees are bare in the frosty air and the world is fast asleep.  
There are candles in the window, there are lights upon the tree,  
all shining in the darkness, tell their tale to me.

## Chorus:

December nights, December lights,  
tell us of days so very long ago.  
December nights, December lights,  
tell us the secrets we must know.

## Verse 2:

December nights are crisp and clear and the stars are icy cold.  
From far and near all the sounds you hear are a promise that's foretold.  
There are merry voices singing, there is music in the air.  
All the tower bells are ringing, there is laughter everywhere.

## Verse 3:

December times are happy times and they bring a message true.  
Good will to all and peace on earth and a happy New Year too.  
And when the snow has gone away and the sun shines warm and bright,  
we'll dream of merry days gone by and a cold December night.

Ending: December nights; nights so long ago!

# Adorar al Niño

*Venezuelan Villancico*

Spanish:

Adorar al niño, corramos pastores,

Adorar al niño, corramos pastores.

Que está en el portal llévesmos le flores,

Que está en el portal llévesmos le flores,

Ah, llévesmos le flores.
